Comr, when he was consulted on a previous occasion, expressed the opinion that "it is not desirable that a Shanbhog who is actually in office should be permitted to edit a paper"; and on this Govt. refused to grant permission to one Mr Hiriannaiya a Shanbhog of Kadur Tk to publish a journal of the name of "Shanbhoga" on the same ground

Under the Council Rules, cases of refusal of permission to start newspapers are to be treated as Schedul matter. In this case, the refusal is based on a general principle that a Shanbhog in active service cannot be permitted to run a paper, which has been agreed to by the Council and approved by His Highness in Council with another previous case.

It is for orders if this file need be circulated to Council, or orders may issue declining to grant permission.

SIR,

With reference to your No.334/C.B.12-35-15 dated the 16th August 1935, requesting me to furnish a confidential report on the character and antecedents of Mr.T.K.Siddanarasiah, Proprietor of the Tumkur Electric Press, Tumkur, who has applied for permission to edit, print and publish a fortnightly journal in Kannada entitled 'SHANBHOGARA PATRIKE', I have the honor to state that I interviewed Mr.T.K.Siddanarasiah. He says that it is meant to publish the activities of the State Shanbogue Sabha, for creating unity amongst shanbhogues, to discuss their wants and needs, duties etc., to settle family disputes and to regain their lost rights. The District Superintendent of Police, Tumkur who enquired into the matter states that the applicant a shanbhog belongs to a respectable family, that the previous history of the applicant is free from blemishes either political or seditious and that there seems to be no objection in granting him permission as prayed for. A copy of his report and the statement of the petitioner setting forth the objects in publishing the journal received with the District Superintendent of Police report are enclosed. Agreeing with the District Superintendent of Police I recommend

With reference to your confidential Memo No.J.C.30/35 dated 22nd August 1935, calling for a report on the character and antecedents and the merits or defects of the applicant Mr.T.K. Siddanarasiah, Proprietor of the Tumkur Electric Press, Tumkur, in the matter of his application to Government for permission under the Mysore Newspaper Regulation III of 1908 to edit, print and publish a fortnightly journal in Kannada entitled 'Shanbhogue Patrike', I have the honor to state that on the enquiries made, it is learnt the applicant is a shanbhogue of Amanikere village in Tumkur Taluk drawing a potgi of Rs.120/- per annum and paying an assessment of Rs.30/- as land revenue to Government. He belongs to a respectable family and he is reported to be a loyal subject to His Highness the Maharaja of Mysore. He bears a good character and is well behaved. At present he is the authorised printer of the monthly periodical 'SCHOOL FOLK' which is edited and published by the Tumkur Government High School. The previous history of the applicant is free from blemishes either political or seditious. As directed, I had a personal interview with the applicant. I talked to him about his objects in editing and publishing the fortnightly journal' Shanbhogue Patrike'. He has also filed a statement setting forth his objects in publishing the journal. On a perusal of the statement it will be seen that his objects are directed towards bonafide progress of the shanbhogues in particular and society in general. And as such there seems to be no objection in granting him permission as prayed for. In his report, the Police Inspector, Tumkur, reports among other things that the applicant told him that the main object of the applicant was to uphold the claims of the present day shanbhogues against the recent order of Government. But in his written statement filed before me on 28-8-35, this does not find a place nor did he tell me anything about this particular object of his. The statement in original is enclosed herewith for kind perusal.
